Giving For Impact is a training seminar series that deepens donors' understanding of philanthropy and the importance of their engagement and relationships with charitable organizations. Participants will gain valuable insight and clarity on their passions, values, and motivations for giving and how that understanding can fuel impactful giving.

#### Giving For Impact - Henderson Will:

- Empower and equip individuals and families to create a greater impact through their giving
- Be a catalyst for change within nonprofit organizations to more deeply value and care for donor relationships
- Build relationships with participants and promote shared learning amongst donors

#### Participant Activities and Resources:

- Comprehensive Resources: Toolkits, Guides, Videos, Templates, Giving for Impact Book
- Developed Personal Giving Philosophy and Impact Plan
- Receive Tri-State newsletter from Giving for Impact - Evansville featuring area NPOs and opportunities to give

This training is offered at no cost to our community and is underwritten by Welborn Baptist Foundation, Ameriprise Financial and the Havens Family Foundation.
